EXPERIENCES

Assistant Lecturer, Dilla University, Dilla

Since MARCH, 2019 G.C

Tasked with giving lectures to architecture, Cotm and civil engineering departments on different subjects and courses that are with in the area of design, architectural drawing, building materials and different and recent CAD applications.

- Lecturing on the subject assigned to
- Consulting students
- Organizing events that will encourage and motivate the students. Events that include exhibitions of drawings, building models, sculptures and paintings, which the students do for their academic projects and to motivate and entertain the campus society.
- Working on extra calicular activities that the department allocate me to.

Architect, Oasis Architects, Shashemene

SINCE SEPTEMBER, 2018 G.C

Primary responsibility to design and supervise different residential, mixed use, commercial, hotels, lodges, organizational and religious buildings. Land scape design and interior design of different type of buildings is also one of the main tasks that I accomplished in this organization. Plan developing is also one of the many responsibilities that I work on.
